Lucas County Juvenile Court Allocation - \$75,083.25</p>	<p>The CITE project in collaboration with area employers and agencies provides clients with pre-employment training, job shadowing and employment opportunities, recreational activities, membership to a pro-social peer group, adventure and leadership activities and meaningful ways to contribute to their communities. The Project Director and the Consultant monitor progress while area employers provide mock and real interviews, training, job shadowing, mentoring relationships and job opportunities.</p>
<p align="center">Community Security Initiative Toledo Police Department Allocation - \$104,823.75</p>	<p>The Toledo Police Department will continue to deploy two dedicated officers that work with the Toledo-Lagrange Weed and Seed target area community to reduce crime and adopt problem-solving policing approaches that will continue to improve the quality of life for all who work and live there. As a result of this permanent assignment of two community police officers to the target area, there will be a continued improvement in the area's quality of life and reductions in crime and fear of crime.</p>
<p align="center">Court Addiction Diversion Program Comprehensive Addiction Services Systems (COMPASS) Allocation - \$33,300.75</p>	<p>The CAD Program provides three residential diversion beds to the Sylvania, Maumee and Oregon Municipal courts. Three beds will be used in lieu of detaining offenders at CCNO. The Court Addiction Diversion Program is a 28-day high intensity residential program for treatment of non-violent offenders who have an alcohol and drug abuse problem.</p>

<p>Economic Crimes Unit Lucas County Prosecutor's Office Allocation - \$78,750.00</p>	<p>Economic Crimes Unit focuses on obtaining both convictions and forfeitures. The project investigates a multitude of crimes; many of those investigations involve financially motivated crimes. The assistant prosecutors will receive specialized training in the investigation and prosecution of financial crimes to include civil and/or criminal forfeiture proceedings. The long-term goal is to benefit the community by prosecuting the perpetrators and collecting forfeitures to be reinvested in law enforcement efforts to address the problem. The project proposes that assistant prosecutors will coordinate their efforts with local, state and federal law enforcement relative to financially motivated crimes, beginning with the investigative stages through forfeiture and appeal, if necessary (vertical prosecution).</p>
<p>Hands Are Not For Hitting Awareness Program Toledo Police Department Allocation - \$14,653.65</p>	<p>Hands Are Not for Hitting provides early prevention/intervention to domestic violence by helping children identify abusive actions. The project will educate children about violence, reinforce values that would contribute to the end of domestic/family violence in the community and reinforce a non-violent predisposition at an early age. The project targets 3 to 5 year old pre school children. The DV officer will use non-violent learning tools that are age appropriate for children.</p>
<p>Information Sharing Network Lucas County Community Prevention Partnership, Inc. Allocation - \$27,500.00</p>	<p>Information Sharing Network increases the communication between the court and the school systems in Lucas County. The project shares arrest, detention and probation information on students in Lucas County with schools, police departments and the Lucas Metropolitan Housing Authority (LMHA). Information will be shared through faxes and letters. The Parent Outreach Worker, who provides services through the contract with Parents Helping Parents, Inc., makes personal telephone contact with the parent/guardian of each student who is charged with a second offense.</p>
<p>Jail Substance Abuse Treatment Fresh Attitudes, Inc. Allocation - \$28,809.00</p>	<p>Jail Substance Abuse Treatment provides substance abuse treatment to male and female offenders on probation or parole, incarcerated in the Lucas County Corrections Center (LCCC) on technical violations. These offenders will be under supervision of the Adult Parole Authority, Lucas County Adult Probation Department or the Toledo Municipal Court Probation Department. The treatment will be provided during incarceration and will include individual and group counseling and chemical dependency education. After the offender completes the program, discharge plans and community linkage will be provided by the project.</p>

<p style="text-align: center;">Mountain Mentors Mountain Mentors, Inc. Allocation - \$26,250.00</p>	<p>Mountain Mentors provides an eight-day mountain climbing experience in the White Mountains with adult volunteers who are paired with the youth to provide adult role models, support services and alternative visions of life to remove juvenile offenders from the residential correctional system. Joint group activities are provided five times a year and home visits and weekly contacts between the adult mentor and youth are made either by telephone or in person. The Project Manager communicates with the juvenile's probation officer regularly as to the status of their probation requirements.</p>
<p style="text-align: center;">Notification Advocate Lucas County Prosecutor's Office Allocation - \$21,728.94</p>	<p>Notification Advocate targets victims of violent crime in Toledo and Lucas County. The project encourages victims of violent crime to participate in the criminal justice process and to appear in court throughout the process of prosecution and conviction. The project will also provide a process to notify victims of the date, time and place of conferences with prosecutors and continuances in Toledo Municipal Court. The Notification/Tracking Advocate will assist the prosecutors by providing direct outreach to victims. Volunteers will assist with notifying victims. Volunteers are recruited from the Lucas County Work Experience Program.</p>
<p style="text-align: center;">Offender Stabilization Project Lucas County TASC, Inc. Allocation - \$127,500.00</p>	<p>The Offender Stabilization Project provides relapse prevention services to offenders released from Lucas County's Community Based Correctional Facility (CTF). This project will serve state-diverted offenders and will integrate into its program the "Thinking for a Change" philosophy used at CTF. This project will provide an additional 6 months of service, thereby increasing the continuity of care for these offenders.</p>
<p style="text-align: center;">Ottawa Hills R.A.D. Village of Ottawa Hills Police Department Allocation - \$24,000.00</p>	<p>Ottawa Hills R.A.D. provides self-defense courses for women, beginning with awareness, prevention, risk reduction and avoidance education before training women in the basics of hands-on self-defense. Trained police officers from the Ottawa Hills Police Department currently provide a class for 15 women at the beginning of each month. Students participating in the R.A.D. Program complete a program evaluation at the end of their course.</p>

<p style="text-align: center;">Project Omega Lutheran Social Services Allocation - \$30,389.93</p>	<p>Project Omega provides children who witness domestic violence with the services they need to overcome the trauma of victimization and live a full and active life. The services provided include 10 hours of in-home counseling services, diagnostic assessment, ongoing group therapy and home-based intervention. Referrals come from a variety of sources including Helpline, Children's Advocacy Center, Charter Services and law enforcement. A "Parenting Without Violence" group will be offered to the parents to help them understand the effect that domestic violence has upon their children and ways to help their children cope. A pre-test/post-test will be given and parents will be asked to complete a satisfaction survey.</p>
<p style="text-align: center;">Toledo Youth Drug/ Gang Prevention Judan Judo of Toledo, Inc. Allocation - \$19,776.00</p>	<p>Toledo Youth Drug/Gang Prevention offers a structured after-school environment available for all youth ages 5 to 17 in the Toledo area. Activities include instruction in the Olympic sport of Judo, tutoring sessions and Karate instruction. The program is designed to increase self-esteem and self-discipline, create positive methods of dealing with aggression and frustration and help you discover new directions for their lives. Youth participate in structured practices five days a week and are given the opportunity to travel and compete in tournaments. Participants in the program are required to maintain their grades in order to practice and compete in tournaments.</p>
